- **Belco possesses unique capabilities that are not easy to find in the FSC supply chain...**
- **Belco has the ability to break units down — You can buy only what you need, when you need it, so you can respond to demand quickly without worrying about carrying excess stock...**
- **Belco also has unique manufacturing and milling capabilities...**
- **Through our Custom Services division, we can customize your order to spec...**

For Example:

- **Apply FrameGuard mold resistant wood coating — Stop Mold Before it Starts**
- **We take a “Make it Happen” approach, just ask and we can accommodate virtually any special request with our diverse manufacturing capabilities...**

Call us to discover the quality and value we deliver everyday!

Belco maintains a full line capability, in-stock and via special order, of FSC-certified dimensional framing lumber, including plywood sheathing and underlayment. Belco completed the Chain-of-Custody (CoC) certification process and offers FSC-certified framing lumber with the FSC logo.

- **FSC Pattern Stock – Shelton Specialties**
- **FSC PWW – Armor Coat Trim & Fascia with our proprietary, waterborne acrylic, Armor2Coat primer... Quite possibly the world’s the most environmentally friendly primed fascia (Special order)**
- **Studs**
- **Dimensional Lumber**
- **Plywood**
